EXPERIENCE

PRIMARY CARE PHYSICIAN • OCTOBER 2021 - PRESENT GEISINGER ELYSBURG • ELYSBURG, PA

- Works with interdisciplinary team including care manager, medication therapy management/pharmacy, to manage care for patients ranging from neonates to geriatrics
- Engages in the care of patients via office visits, telehealth and home visits in order to provide comprehensive care in preventative and acute visits.
- Involved with improving system-based practices and improving EMR workflows with physician informaticist

ASSISTANT PROFESSOR OF FAMILY MEDICINE • JANUARY 2022 – PRESENT DEPARTMENT OF POPULATION HEALTH AT GEISINGER COMMONWEALTH SCHOOL OF MEDICINE • ELYSBURG, PA

- Mentor and educate allopathic and osteopathic students as a part of family medicine and rural health rotations.

RESIDENT PHYSICIAN • JULY 2018 – JUNE 2021 RUTGERS RWJ MEDICAL SCHOOL AT CENTRASTATE MEDICAL CENTER • FAMILY MEDICINE RESIDENCY PROGRAM • FREEHOLD NJ

- Responsible for patients at the Freehold Family Health Center, a Federally Qualified Health Center, and provided primary care services, minor procedures including but not limited to pap smears, IUD placement, and injections.
- Lead key initiatives to improve patient safety and cost savings through standardizing sepsis protocol and teaching for the care of patients at sub-acute care facilities
- Authored numerous case presentations, poster presentations and presented at national conferences.
- Involved in hospital committees including: CentraState Pharmacy and Therapeutics Committee, Informatics Advisory Committee, Diabetes committee, Rutgers RWJ Family Medicine Residency Council, Program Evaluation Committee, Precepting subcommittee, Duty Hour subcommittee, Maternal Safety Initiative subcommittee.
- Awarded Resident of the Year, June 2021; STFM Resident Teacher Award, June 2021; Patient Service Award, June 2021.

STARS – STUDENT TECHNOLOGY AND RESOURCE SERVICES PROGRAM • JAN 2012 – MAY 2012
NEW JERSEY INSTITUTE OF TECHNOLOGY • NEWARK, NJ

- Created text and multimedia tutorials for Moodle software and ConnectYard plugin
- Developed online and print marketing and advertising campaigns
- Trained faculty and revised modules for advanced training

PHOTOGRAPHER, OWNER • KEVIN LY PHOTOGRAPHY • AUGUST 2010 - PRESENT

- Experience in landscape, fine art, real estate, portrait and wedding photography
- Cater to international and diverse clientele including individuals, families, and businesses
- Published internationally, freelanced for state tourism boards, donated artwork to drive community-based charities
- Portfolio: klyphoto.com

EDUCATION

DOCTOR OF MEDICINE, MD • AUG 2013 – APRIL 2018
ST GEORGE'S UNIVERSITY, GRENADA WEST INDIES

- Enhanced clinical experience with medical humanities course at Overlook Medical Center, NJ.
- Active member on campus and cared for local Grenadians as a part of health fair clinics provided for the community as well as participate in various presentations and educational experiences for community
- Taught photography workshops while in Grenada, auctioned own fine art photography and donated to local Grenada charities.

BACHELOR OF ARTS, BIOLOGY, BA • AUG 2010 - JUNE 2013
NEW JERSEY INSTITUTE OF TECHNOLOGY, NEWARK NEW JERSEY

Albert Dorman Honors College GPA: 3.8/4.0 Magna Cum Laude

- Active member of campus and academic programs as a part of the 7-year BA/MD Accelerated Program.
- Awarded NJIT Presidential Leadership Award, Dorman Honors College Leadership Service Award, and National Fellow of the Pearson Prize for Higher Education.
- Developed, designed, and awarded funding for non-invasive glucose monitoring prototype; cofounder of Geneo Medical
- Awarded best presentation in the Newark Innovation Acceleration Challenge, runner up in Dr Randal Pinkett's Campus CEO Challenge.

CERTIFICATIONS

2016	USMLE Step 1: 197	Credentials
2017	USMLE Step 2 CK: 214	11/8/21: American Board of Family Medicine
2017	USMLE Step 2 CS: Pass	Board Certified
2021	USMLE Step 3: 213	8/3/21 Pennsylvania License, Exp 12/31/22
		8/25/21 New Jersey License, Exp 6/30/23
		8/2021: DEA License
		5/24/22: ACLS, 6/2020: BLS, PALS, ALSO certified.

OTHER COMMITMENTS

COMMUNITY MEMBER • ADVARRA INSTITUTIONAL BIOSAFETY COMMITTEE • APRIL 2023 – PRESENT

- Review clinical research studies to ensure compliance and safety of genetic engineering and gene therapy research.

RESEARCH / CLINICAL TRIALS

DATA MANAGER • ATTAC-19 TRIAL • UNIVERSITY HOSPITAL, NEWARK, NJ. • OCTOBER 2020 – JAN 2022

- Clinical trial: Aggrenox to Treat Acute COVID-19 (ATTAC-19). ID: NCT04410328. Oct 2020 – Dec 2021.
- Principal investigator: Dr Amit Singla.
- Published: A randomized controlled trial to evaluate outcomes with Aggrenox in patients with SARS-CoV-2 infection. PLoS One. 2023 Jan 30;18(1):e0274243. doi: 10.1371/journal.pone.0274243. PMID: 36716303.

RESEARCH SCHOLAR • VARIOUS; NEWARK, NJ • 2011 -2013

INTERDISCIPLINARY DESIGN STUDIO • NJIT PROVOST UNDERGRADUATE RESEARCH PROGRAM 2011 • CAPITAL ONE BANK SPONSORED INNOVATION ACCELERATOR PROGRAM 2012

- Co-founded and acquired seed-funding for startup Geneo Medical for further research and development.
- Investigation of the spectrum signature of glucose using near infrared spectrometry for application to noninvasive glucose monitoring
- Development of point of care prototype to allow for real time glucose monitoring. Use of multi-spectral optical, near-infrared wavelength-based illumination and absorption measurements to estimate blood glucose in situ.
- Remodeled Monte Carlo simulation to fit transmission model; correlated with physical phantom models
- Presented at Interdisciplinary Design Studio Innovation Showcase, Forbes, New York, New York, 2012
- Presented at Summer Undergraduate Research Symposium, NJIT – Newark, NJ. 2011, 2012, 2013.

QUALITY IMPROVEMENT

PROJECT LEAD, PHYSICIAN • IMPROVING ACCESS TO LONG-ACTING REVERSIBLE CONTRACEPTION • FREEHOLD FAMILY HEALTH CENTER • FREEHOLD, NJ • FEB 2021 – JUNE 2021

- Developed initiative to review and assess current contraceptive prescription patterns and identify barriers to entry to optimize and improve rates and timeliness of contraception to post partum patients and reduce rates of unwanted pregnancies in the Freehold community
- Worked with local and state advocates to develop educational materials and optimize use of available funding and resources to improve care and patient satisfaction as it relates to contraceptive management and family planning

PROJECT LEAD, PHYSICIAN • IMPROVING ACCESS TO POSTPARTUM CONTRACEPTION • FREEHOLD FAMILY HEALTH CENTER • FREEHOLD, NJ • JAN 2020 - JUNE 2021

- Designed a retrospective study of FFHC obstetric patients and analyzed contraception rates post partum in order to improve access to care and improve family planning education.
- Presented at New Jersey Academy of Family Physicians Conference, June 2021.

DATA AND STATISTICS, PHYSICIAN • GROUP VISITS IN PRIMARY CARE: AN OVERVIEW OF PATIENT PREFERENCES AND BARRIERS • FREEHOLD FAMILY HEALTH CENTER • FREEHOLD, NJ • OCT 2020 - MAY 2021

- Developed a prospective study to determine barriers to care for population of FFHC, a FQHC, to better improve compliance and show rate to provider visits.
- Presented at New Jersey Academy of Family Physicians Conference, June 2021.

PROJECT LEAD, PHYSICIAN • SEPSIS IN SUBACUTE FACILITIES • MANOR REHABILITATION • FREEHOLD, NJ • AUG 2018 – DEC 2019

- Worked closely with director of rehabilitation facilities associated with CentraState Medical Center in order to advance and educate on current sepsis guidelines in order to promote improved and effective recognition of sepsis in the geriatric community.
- Presented to both nursing and clinical ancillary staff at the Manor and presented findings to improvement in patient care at both state and national conferences including the Society of Teachers in Family medicine Conference on Practice & Quality Improvement in Phoenix, Arizona 2019.

RESIDENT PHYSICIAN • HOW TO REDUCE HOSPITAL READMISSIONS: A RESIDENT LEAD IMPROVEMENT PROJECT USING THE INTERACT PATHWAY • MANOR REHABILITATION • FREEHOLD, NJ • AUG 2018 – DEC 2019

- Integrated and optimized use of INTERACT pathway within nursing home EHR to reduce acute care transfers and more efficiently determine early predictors for sepsis with clear communication from nursing to physician via SBAR.
- Presented at Society of Teachers in Family medicine Conference on Practice & Quality Improvement in Phoenix, Arizona 2019.

PRESENTATIONS

For Clinical / Hospital Staff

- Mar 2019: Geriatric Presentation: Falls in the Elderly
- Jun 2019: Morbidity & Mortality / Quality Improvement: Sepsis in LTC and SAR.
- May 2020: Community Medicine Presentation: Moving those who can't move: Getting transport for medical services in Monmouth County
- July 2020: Morbidity & Mortality / Quality Improvement: Complications of prolonged intubation
- Dec 2020: Morbidity & Mortality / Quality Improvement: Long term complications of SARS CoV-2

For the Community

- Feb 2020: Pharmacology: Interesting cases. Med Sci, Freehold HS, Freehold, NJ
- Oct 2019: Research Design and Ethics. Med Sci, Freehold HS, Freehold, NJ
- Oct 2019: Sepsis 101: Managing sepsis in the post-acute setting. Manor Rehab, Freehold NJ
- May 2021: COVID-19 Vaccines. Virtual, Freehold, NJ

LEADERSHIP

FOUNDER • CENTRASTATE FAMILY MEDICINE RESIDENCY ALUMNI ASSOCIATION • VIRTUAL

August 2021 – Present

- Initiated alumni network for graduates of the family medicine residency program
- Coordinated virtual networking sessions to showcasing employment opportunities and improve the understanding of contract negotiations for graduating residents
- Foster a community of primary care leaders and allow networking opportunities within the alumni network.

CENTRASTATE MEDICAL CENTER

RESIDENT PHYSICIAN MEMBER • VARIOUS • HOSPITAL COMMITTEES • 2019-2021

CSMC Informatics Advisory Committee
CSMC IT Committee
CSMC Pharmacy and Therapeutics Committee
Diabetes Committee

RUTGERS RWJ FAMILY MEDICINE PROGRAM @ CENTRASTATE

RESIDENT COUNCIL CLASS REPRESENTATIVE • 2019-2021 MEMBER • PROGRAM EVALUATION COMMITTEE • 2019-2021

Precepting subcommittee
Duty hour subcommittee
Maternal safety initiative subcommittee

RESIDENT FACULTY • AAFP ADVANCED LIFE SUPPORT IN OBSTETRICS • OCTOBER 2020

CentraState Medical Center; Freehold, NJ

- Coordinated and assisted with certification course for over 20 medical residents and attending physicians. Set up and facilitated logistics of day-long event.

SERVICE TO THE COMMUNITY

PHYSICIAN • FREEHOLD LATINO HEALTH FAIR • SEPT 15, 2018

PHYSICIAN, PRESENTER • CENTRASTATE HEALTH AWARENESS CENTER • 2018-2020

Colorectal cancer screening • Nov 5, 2019
Head and neck screening • Feb 27, 2019
Thyroid Screening • Feb 27, 2020
Colorectal cancer screening • Nov 18, 2020

AFFILIATIONS / PROFESSIONAL ORGANIZATIONS

New Jersey Academy of Family Physicians – Physician; Member • 2021-Present
New Jersey Academy of Family Physicians – Resident; Member • 2019-2021
American Academy of Family Physicians – Resident; Member • 2019-2021
American College of Physicians – Student Member • 2016-2018
American Medical Student Association • 2013-2018
Alpha Phi Omega – National Service Fraternity • 2012

AWARDS AND HONORS

AWARDS

Leadership

Rutgers RWJMS Family Medicine Residency @ CentraState

Resident of the Year, June 2021

STFM Resident Teacher Award, June 2021

Patient Service Award, June 2021

C.A.R.E award, June 2020

New Jersey Institute of Technology

NJIT Presidential Leadership Award, May 2013

Dorman Honors College Leadership Service Award, May 2013

Outstanding Diversity Program – National Society of Collegiate Scholars, May 2013

Dorman Honors College Outstanding Service Award, April 2013

National Society of Collegiate Scholars Chapter Award, June 2012

Dorman Honors College Leadership Service Award, May 2012

Most Innovating Program Award – Innovation Acceleration Club, May 2012

Delta Epsilon Iota Chapter Leadership Award, Feb 2012

Scholarship

National Fellow of the Pearson Prize for Higher Education, June 2012

Edward J. Bloustein Distinguished Scholar, Spring 2010

Keith Hightower Scholarship, Spring 2010

Research & Presentations

Dr. Randal Pinkett's Campus CEO Challenge – Runner up, March 2013

Newark Innovation Acceleration Challenge – 1st Overall Best Presentation, Dec 2011
